FinTech

Digital Marketing

Hiring Support for **Your Business**

NO FEES

There is never a fee to recruit and hire talent. Our talent pipeline services are part of our mission driven approach to supporting boot camp job seekers.

RELEVANT

Our candidates learn the newest and most relevant technologies in the markets they train in.

VOLUME

We offer programs across various technical disciplines allowing you to source and recruit for multiple roles in one place.

ONE STOP

We provide talent referrals at the volume your team needs, saving time so you can focus on what counts - finding the best fit.

Advantages of Partnering with **Trilogy**

- 1 Single Point of Contact**
Fill FTE, Contract and Apprenticeship roles with the support of a designated account manager that understands your needs.
- 2 University Backing**
Penn, UCLA, Columbia, Harvard, Berkeley, and more partner with Trilogy to bridge the Digital Skills Gap.
- 3 Scale**
Connect with hundreds of job-ready candidates across North America and streamline your top-of-funnel efforts, supported by in-house technical sourcing.

How Employers **Connect with Talent**

- ▶ **Hiring**
Trilogy helps companies fill high-demand roles in web development, data analytics and visualization, UX/UI design, cybersecurity, FinTech, and Digital Marketing.
- ▶ **Engage**
Connect with job-ready candidates via mentoring or at demo days, webinars, tech talks, and hack-a-thons. Highlight your company through site visits and sponsorship opportunities.
- ▶ **Industry Feedback**
Collaborate with us to share your insight and expertise, ensuring candidates' skills are competitive and meeting the demands of the job market.
- ▶ **Training**
Training programs provide employees with the skills you need to stay competitive in the new digital marketplace.
